

**WELCOME TO AMERICAN RED CROSS WILDERNESS
AND
REMOTE FIRST AID**

Presented by

GREAT SOUTHWEST COUNCIL, BSA

You have signed up for the Wilderness First Aid Training course on Friday and Saturday from 8:15 AM to 5:00 PM on _____. The course will be held at the Great Southwest Council Service Center unless otherwise notified.

The \$65 fee must be paid at least **TWO WEEKS** in advance to save your place in the course. Size is limited to 12 participants. Our policy is that there are **NO REFUNDS!** However, there are 2 options: 1. Up to 2 weeks before the course you can switch to a future course. This gives another participant on the waiting list an opportunity to take your place. 2. You can send another Scouter in your place at any time.

Remember, CPR is a pre-requisite for this course and we will ask to see your **CURRENT** CPR certificate when you arrive on Friday. If you are not currently certified in CPR through next summer, contact American Red Cross at 1-800-733-2767.

Wear comfortable clothing as you will be kneeling, bending and lifting as you practice your skills

Bring a sack lunch, drink, pen, paper, and a highlighter.

This course is designed to be taught entirely or partially outdoors. Be prepared!

YIS,

Wilderness First Aid Course Director
