Great Southwest Council - Boy Scouts of America Gorham Scout Ranch Honor Bricks Order Form

Thank you for your interest in Gorham Scout Ranch Honor Bricks. Your 4" x 8" brick/s will be engraved and installed at a special outdoor seating area at the Ranch. You can order a replica brick, as well, which will be identical to the one at Gorham but sent to you. This tax-deductible donation will support Dining Hall improvements. Please write your inscription in the boxes below with one character per box (maximum 15 characters per line and 3 lines per brick). Characters include letters, numbers, spaces, or punctuation marks (do not use special characters). Additionally, you may add an image recognizing Scouting involvement of you or your unit (see available logos below). There is space to order two bricks; for more bricks, attach additional pages.
