

BENEATH THE SEA

CUB SCOUT DAY CAMP

2019 GUIDEBOOK

Day Camp is an outdoor experience where Cub Scouts participate in individual and team sports, games, crafts, explore nature and work on required adventures and electives. They get to shoot BB guns and do Archery which can't be done at the pack level. Having fun in the outdoors – that's Cub Scout Day Camp.

The Day Camp program is designed to teach skills and develop attributes that help make our cub scouts more self reliant. They will have fun with a purpose. The purpose is to build character while providing memorable experiences in the life of our cub scouts. Everyone needs a Day Camp experience.

Cub Scouts will attend Day Camp and return home each day. There is no overnight camping. Cub Scouts participate in outdoor activities built around the 2019 theme of Beneath the Sea. You can expect the cub scouts to stretch their minds and their muscles as they prepare to explore all types of activities from around the world. All Cub Scouts, from this year's Tigers to Arrow of Light scouts, are encouraged to attend.

Day Camp is a program of the Great Southwest Council, Boy Scouts of America. Every Day Camp is staffed by hard working, reliable and responsible volunteers. Each Day Camp Director is National Camp School Certified. Each Camp meets or exceeds the BSA's National Camping Accreditation Program. Day Camp undergoes the accreditation process each year to assure a high quality and safe Day Camp experience. Day Camp can't happen without the great volunteers who help plan and staff it. Each Day Camp needs your help in a variety of ways. Please contact your Day Camp Director to see how you can help.

FOS and Popcorn Rebates- This year we are offering a 10% rebate for Day Camp, if your pack met either their popcorn goal or friends of scouting goal for 2018. After you have done your pack's registrations and paid the registration fees, the Council office will verify your eligibility for the rebate. A check will be sent to your pack if you qualify. **This rebate is only available as a pack, not individual registrations.**

You can find more information about your Day Camp on the Council's website gswcbsa.org.

Pack Day Camp Coordinator Responsibilities

The Pack Committee or Cubmaster needs to appoint a responsible adult to serve as your Pack Day Camp Coordinator. The responsibilities include the following:

Camp Leadership:

Secure leadership for Day Camp. **Each unit must have ONE adult (must be at least 21) for every FOUR youth for EACH DAY in camp.** Anyone from your pack who is serving as part of the Day Camp staff does not count towards this ratio. Ideally, the same leaders stay all week, but you may rotate leaders daily as long as you maintain the leadership ratios. Tiger Cubs must have an adult with each individual at all times. Packs are encouraged to recommend other adults to serve on the Day Camp staff.

Registration:

Use the form in this packet to gather the information needed to register on tentaroo. Submit all Cub Scout and adult volunteer registrations on tentaroo.com under the day camp you are attending. **The deadline for a guaranteed T-shirt is April 23, 2019.** After this date, a \$10 late fee will be assessed and there is no guarantee a T-shirt or certain program supplies will be available. **Please submit the registrations as a pack on the Tentaroo website. ALL SINGLE REGISTRATIONS MUST BE TURNED INTO THE COUNCIL OFFICE. Medical forms need to be turned in on the first day of camp unless otherwise specified by the day camp director. Do not submit them to the Council office.**

Camp Fees:

The pack should collect fees from each family and submit one pack check to the Council office by April 23, 2019. If you are registering on the Tentaroo website, you can use a debit or credit card on the site.

Make sure families needing help are aware of the camperships available through the Council. The forms can be found on the Council Website at gswcbasa.org. Camperships must be turned into the Council office by April 1, 2019

Parent Participation:

Don't keep camp a secret! Share your plans and problems with your parents. They can't help if they don't know what needs to be done. Let them know your needs early. They have family plans to make too. Keep them informed at pack meetings, use your pack newsletter or bulletin. Make sure you let them know of any family activities that are planned for your Day Camp.

Advancement:

Cub Scouts will have the opportunity to work on the Cub Scout Adventure Program, however, it is almost impossible to complete a full adventure in the Day Camp setting. They will also do other activities that can only be done at Day Camp such as BB gun shooting and Archery. A record of what each Cub Scout has accomplished will be given out to each pack at the end of camp or a few weeks after.

Promotion:

Talk about Day Camp plans with your Cub Scouts and parents often. Conduct a special Parent's Night to get the registration done and money collected. If your pack needs help with the cost of Day Camp, plan an approved (check with your COR and District Executive) fund raiser to help them earn the camp fees. Work with Tiger Cubs who will be joining your pack in the spring.
